The Certificate of Correction issued on October 4, 2011, issued in error, in that error(s) was made in identifying the patent number and/or keying text/corrections, i.e.:

The certificate of correction inserting assignee name was issued in error. On September 26, 2011, correspondence was mailed out to applicant dismissing the petition to correct assignee on the title page of patent. The office mistakenly issued certificate of correction changing the assignee name to "Novo Nordisk A/S, Bagsvaerd (DK)". A petition petition under C.F.R. 3.81(b) is required to add/delete assignee names and addresses in the printed patent

A certificate of correction is being prepared to vacate certificate of correction issued October 4, 2011 from issued patent. The certificate of correction should not have been issued to correct the assignee's name.
